The price list above is a guide, we can cater for custom designs that are personalised to your special day, no matter how big or small, and can be discussed during the consultation and booking process.

We have varied equipment available to hire including white metal frame luxury archway, bird cages, pedestal stands, vintage wooden ladders, various jars and vases. If there is anything you require that we don't already have, we can usually source this for you! All hire items require a small deposit that is returned on collection of items, please see wedding terms and conditions for details.

Please feel free to get in touch with any questions you may have, or to book your consultation and start the floral preparations for your special day!
